* Mining: Pebble CEO Shively makes case for Bristol Bay watershed project

How would the Pebble Limited Partnership's proposal for a gold and copper mine in the Bristol Bay watershed affect the salmon fishery and surrounding community? During today's OnPoint, John Shively, CEO of Pebble, explains why he believes the Pebble Mine would revitalize the economy of the community surrounding Bristol Bay. He discusses his organization's efforts to address environmental concerns about the project and responds to critics of the proposal.
